givejedahand #CAMH is #MentalIllness. #CAMHFoundation is #concurrently #disordered. #Journalists could write about it if they weren't in the #DSM under #NARCISSISM! #Stupid #fags! #Dummies! #CTV

givejedahand Maybe good kissers but definitely bad journalists if they think that's an adequate response to a globalized world with radicalized cultures some - many - of ehich are lethally homophobic. "But don't let me interrupt you! #bellletstalk - about your tie!"
